

Rotary Hip

VST600-S76

To help your people strengthen their hip joints and the surrounding muscles, choose a Selectorized Rotary Hip station that's tougher than you can imagine and more comfortable than you'd expect. It's been tested to withstand over a million reps, more than four times the industry standard, and an easily adjustable ergonomic design makes it comfortable for virtually anyone to sit down and start strengthening their hips.

Product availability may vary by region. Please contact your [local office](#) for more information.
