

Versa Glute

VS-S78

Building and toning glutes has always been popular, but it's never been as accessible and comfortable as it is with our Versa Glute station. The upright user position and the low step-on height of the stabilization platform make it easy for users to get started. The chest pad adjusts to encourage proper body positioning, while the contoured elbow pads and large foot pad enhance comfort.

ADJUSTMENTS

COLOR CODED PIVOTS & POINTS OF ADJUSTMENT

Yes

ADJUSTABLE CHEST PAD
